A MESSAGE FROM OUR MINISTER

Bula to you all.

Last month I was away in Fiji and was glad to meet with family and friends again. I preached on the day of my arrival which was a Sunday at 4.15pm in one of the local churches. I was happy to see a large presence of youth during the service and a lot of children also.

I was also able to witness the effects of climate changes as I travelled along the coast of one of the main islands. How the lovely beaches have gone and I just wondered what is happening in our smaller islands of which one is my island home. I managed to have a conversation with some local elders who do not have a clue what global warming is.

Coming back to England and being faced with everyday news of what is happening here and around the world, I am glad that the Pacific people have adopted the Pacific way of life since Pacific means peace. A peaceful co-existence and sharing what little we have.

The world needs a lot of our prayers and we should do our part as individuals, as a Church and as a Circuit in praying for war mongers to seek a solution to world peace.

As Christians we are assured by Jesus who says in Matthew 28:20 **And surely, I am with you always to the very end of the age**". We walk with Jesus in our daily chores and it is to Him that we entrust our lives and continue to pray for a better world.

God bless us all.

Jimi.

COAT EXCHANGE The Hinckley and Bosworth Coat Exchange is an initiative organized by the *Hinckley & Bosworth Borough Council* to provide **warm coats** to residents who need them. The exchange runs during October & November. We are encouraged to donate clean, warm coats and waterproofs for all ages to local venues. Residents can then access free coats for their families from their local distribution point.

WE WILL BE ACTING AS A COLLECTION POINT AT "COME FOR A CUPPA" ON WEDNESDAY MORNINGS. We will sort the clothes, bag them, & take them to Markfield library which will be both a collection and re-distribution point. Your items will then go to other parts of the borough and the library will have a rail of coats available which they have received from other areas.

SOMETHING TO THINK ABOUT *Instead of sending cards to those with whom you can personally exchange Christmas greetings, or to whom you can make a welcome phone call, you might consider making a donation to your favourite charity, or to the Methodist charity "All We Can", which benefited from this scheme last year. Once again there will not be a church post box, but individual cards to "all our church friends" can make an attractive display in the entrance porch.*

THANK YOU

Your support at the Churches Together in Markfield coffee morning was greatly appreciated and, with other donations, helped raise £390.40 for Christian Aid.

Please send items for the **NOVEMBER** notices to Linda & William Walmsley by
