MESSAGE FROM OUR MINISTER

Bula and welcome to the month of March.

This month begins with a World Day of Prayer, something the World needs when we take a look at what is happening in the World these days. We need to pray for the ending of the war between Russia and Ukraine, between the Hamas and Israel. We need to pray for mess we have made with our environment which brings catastrophic events that threaten our everyday lives by means of flooding, drought & other natural disasters.

Our Lenten journey also comes to an end when we celebrate special events of Holy Week and also celebrate Easter. It would be a good time to look back at the promises you made when you began your Lenten journey - were you able to hold true? I am sure that you are preparing yourself for Maundy Thursday and Good Friday. We remember and celebrate the life of our Lord Jesus Christ who gave his life for our salvation and how he also showed us that resurrection of the body after death is something we, as Christians should look forward to.

I wish you all a Happy Easter, and please do not forget that Easter Sunday is basically when Summer time begins and the clocks go forward by an hour. However way you spend your days in March, please be assured that God is with us in all that we envisage to do.

Let us continue to support one another and keep praying for our Church, activities planned and for the Circuit at large.

We March on with God's blessings.

Jimi.
